

Mooijer Veggey needs your help!

Since it was formed in 1996 Mooijer Veggey has been successfully promoting Manx Gaelic and working specifically to establish a network of Manx Gaelic pre-school groups throughout the Island.

Mooijer Veggey strongly believes that the opportunities provided at its thriving Braddan, Port Erin and Ballasalla playgroups and at its Willaston, Peel and Ashley Hill nurseries, should be available to all children in the Isle of Man. Primary school education is also available at the Bunscoill Ghaelgagh in St. Johns.

However, unless Mooijer Veggey can spend more funding on publicising its mission, on training staff and on the production of specifically Manx resource material, it will barely meet even existing demand.

For just £10 per year, you can become a member of Caarjyn Vooijer Veggey, and help to support the important work of Mooijer Veggey. Join, and bring your friends with you! Each member will receive three copies of a newsletter and a Mooijer Veggey car-sticker.

Send the form (below) completed and with £10, to **Susan Moore, Administrator, Mooijer Veggey, 12 School Road, Onchan, Isle of Man, IM3 4LA.**

Please join Caarjyn Vooijer Veggey and help keep Manx Gaelic alive!
