Moinjer Veggey needs your help!

Since it was formed in 1996 Moinjer Veggey has been successfully promoting Manx Gaelic and working specifically to establish a network of Manx Gaelic pre-school groups throughout the Island.

Moinjer Veggey strongly believes that the opportunities provided at its thriving Braddan and Ballasalla playgroups and at its Willaston, Peel and Ashley Hill nurseries, should be available to all children in the Isle of Man. Primary school education is also available at the Bunscoil Ghaelgagh in St. Johns.

However, unless Moinjer Veggey can spend more funding on publicising its mission, on training staff and on the production of specifically Manx resource material, it will barely meet even existing demand.

For just £10 per year, you can become a member of Caarjyn Vooinjor Veggey, and help to support the important work of Moinjer Veggey. Join, and bring your friends with you! Each member will receive three copies of a newsletter and a Moinjer Veggey car-sticker.

Send the form (below) completed and with £10, to **Janice Quilliam, Oaseir Coonee, Moinjer Veggey, 6 Cowley Terrace, Peel, Isle of Man IM5 1UA**

**Please join Caarjyn Vooinjor Veggey and
help keep Manx Gaelic alive!**
